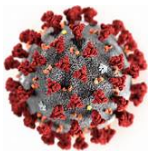
# National COVID-19 Science Task Force



## Declaration of conflicts of interest

☑ I would like to declare the following existing and/or potential conflict of interest situation:

- Businesses in which I, or any family members or other closely related person, own or have a financial interest in (brief description):
- Non-Profit Organisations and/or Non- Government Organisations with which I, or any family members or other closely related person, are involved (brief description):
- Government Agencies and/or Government Employees with which I, or any family members or other closely related person are involved (including employed as) or interact with in the course of our work (if applicable, provide brief description below)

Employed by ETH Zurich, joint appointment with Eawag.

- I, Martin Ackermann, have read, understood and agree to the above statement. I have fully disclosed any potential conflicts of interest,

☐ I certify that I have no affiliations with or involvement in any organization or entity with any financial interest (such as honoraria; educational grants; participation in speakers' bureaus; membership, employment, consultancies, stock ownership), or no other equity interest; and no expert testimony or patent-licensing arrangements in the subject matter or materials discussed in this COVID-19 Swiss National Task Force.

- In the event of an apparent conflict of interests with any persons, any organization or entity with any financial or non-financial interest I will thus notify the Chair of the Task Force immediately in writing. Examples of a particularly close relationship include close current or past (personal) business connections (e.g. a customer relationship, a strategic partnership, a form of participation or an employment relationship), a partnership (marriage or de facto union), a family relationship or close affinity /friendship, an economically-dependent relationship or other type of dependent relationship or common public services for a longer period.

☑ All information, documents and results of the COVID-19 Swiss National Task Froce are confidential until published on the Task Foce Website (www.ncs-tf.ch). In specific terms, this means that information should not be made available in any way whatsoever to unauthorised third parties.

☑ I confirm that I have taken note of the above and the obligations therein
